EU Type Examination Certificate

No. CE 706762

Product Specification

Range: Shipping Container Anchor Post 18kN / Horizontal Lifeline System

Models in range: CBPOST18KN
Lifeline Kit

Product Description: The Shipping Container Anchor Post 18kN / Horizontal Lifeline System, Type B anchor points, provides a secure anchor point on a portable structure to give workers increased coverage and protection. This system provides fall protection for individual workers on each anchor point. The system is mounted on a shipping container and can be moved from job site to job site, providing a portable solution.

Technical Specification: EN 795:2012 Personal Fall Protection Equipment – Anchor devices for use by up to one person, Class B.

CEN/TS 16415:2013 Personal Fall Protection equipment – Anchor devices for use by more than one person simultaneously, Class B.

When the system is used by a single user the system meets the requirements of EN795:2012 Personal fall Protection Equipment –Anchor devices for use by up to one person, Class B.

When the system is used by 2 persons the system meets the requirements of CEN/TS 16415:2013 Personal fall Protection Equipment –Anchor devices for use by more than one person simultaneously, Class B.

Technical Specification: EN 795:2012 Personal Fall Protection Equipment – Anchor devices for use by up to one person, Class B.

CEN/TS 16415:2013 Personal Fall Protection equipment – Anchor devices for use by more than one person simultaneously, Class B.
